SEAWATER

THE MOST RELIABLE & COMPACT SYSTEMS FOR RECREATIONAL BOATERS

The Dometic SeaXchange SE is our most compact and efficient watermaker yet. This line of seawater RO systems features a compact design and high-quality components for lighter-duty leisure applications. The SE series offers a user-friendly interface, which allows boaters to conveniently make fresh water whenever and wherever they want.

SPECIAL OPTIONS

- Remote control
- High-capacity commercial pre-filter assembly
- Filter replacement kit
- Manual TDS meter
- Vessel assembly upgrades

KEY BENEFITS

- 2-in-1 Modular or Compact Frame
- 316L Stainless Steel High-Pressure Pump
- 316L Stainless Steel Flow & Pressure Components
- TEFC Motor with Thermal Motor Protection
- Computer Controller
- LCD Backlit Display
- Automatic Freshwater Flush
- Tank Switch Input
- Digital TDS Reading
- Filmtec™ High Rejection Seawater Membranes
- Made in the U.S.A.

Model	SE350	SE600	SE600-2	SE800
