

XZII SERIES SEAWATER & DOCK WATER SYSTEMS

Purify seawater and dock water automatically with a single, compact machine. Only Dometic SeaXchange XZII system combine the benefits of an onboard watermaker (seawater desalinators) and a freshwater reverse-osmosis (RO) purification system for ultra-pure water onboard.

NEMA 2000
CONNECTIVITY

EASY TO USE
1-TOUCH FULLY AUTOMATIC

POWERFUL
UP TO 3,000 GPD/11,356 LPD
OF PURE WATER

DOCK WATER

230V/60Hz
220V/50Hz

SEAWATER

ONE COMPACT MACHINE TO PROCESS SEAWATER & DOCK WATER

Perfect for rinsing, drinking and more. The Dometic XZII is a combination series for boaters in need of a compact, integrated system for creating truly spot-free water from seawater anywhere in the world. The Dometic XZII combines our XTC watermaker with the ZTC Spot Zero Double Pass into a seamless, fully automated system with low noise levels and low power consumption. Go from saltwater to spot-free in one efficient process.

KEY BENEFITS

- NEMA 2000 connectivity
- 2-in-1 Modular or Compact Frame
- 316L SS High-Pressure Pump 316L SS
- TEFC Motor with Thermal Motor Protection
- 7 inch touchscreen display

1. EASY TO USE

Color touchscreen with graphical display for easy operation

2. LESS MAINTENANCE

High-capacity filters are changed less frequently

3. LESS NOISE

Vibration-isolation mounts reduce noise and vibration
