WaterPurifiers

MOBILE REVERSE OSMOSIS ULTRA PURE, SPOT FREE WATER

SZ MOBILE 2.0

Spot Zero WaterPurifier

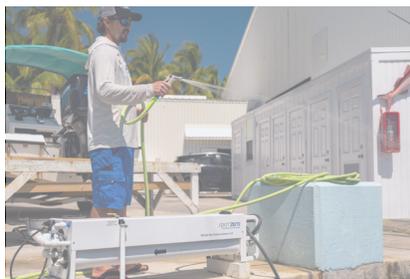

Spot Zero's SZ Mobile Series is designed for boats that don't have the space for a built-in Spot Zero WaterPurifier System. With SZ Mobile 2.0 you can enjoy ultra-pure spot free wash downs and pure water benefits, in a portable, compact design. The SZ Mobile Series removes 90-99% of water-borne contaminants, from any dockside water source. Say goodbye to chamois drying, once and for all!

DOCKWATER

115V/60HZ

KEY BENEFITS

- Compact and convenient portable design
- Integrated wheels and handles for easy moving
- Ultra-pure water for rinsing boat and equipment
- Eliminate water spots and calcium build-up
- Extend wax and paint life
- Eliminate time spent chamois-drying surfaces
- Handheld digital TDS meter included
