FRESHWATER REVERSE OSMOSIS THE PUREST WATER ON EARTH.

SZIII SEMI-AUTOMATIC

Spot Zero WaterPurifier

The Spot Zero SZIII WaterPurifier is a semi-automatic system engineered to purify freshwater from any onboard water maker or dockside water source. Spot Zero removes 90-99% of water-borne contaminants. Every drop of water in and on your vessel is truly Spot Free, eliminating the need to hand dry interior and exterior surfaces.
